

BULL MOOSE PARTY WILL STAND PAT

No Amalgamation for the Progressives of Illinois, Leaders Say

TO NAME FULL TICKET

In Every County in the State as Well as in Senatorial and Congressional Districts—State Chairman Sounds Keynote.

(ASSOCIATED PRESS TELEGRAM)
Chicago, Dec. 16.—Representative members of the Progressive party from nearly every county in Illinois gathered here today to counter on the party's plans for the future with particular reference to the elections of next year.
Before the meeting adjourns it is planned to select a candidate for the United States Senate and perfect plans for complete tickets in every county and every senatorial and congressional district next year.
The day's program called for an executive session of the state central committee; a conference of county chairmen with the Senate central and Cook county committees; a reception to visiting women at the Progressive club and a rally at night.
The keynote was sounded by Raymond Robins, chairman of the state central committee, he declared against amalgamation with either of the old parties and predicted victory in the spring elections.
In his statement to the delegates Mr. Robins declared that "you cannot pour the new wine of social life of 1914 into the old party bottles of 1860." Continuing he said:
"We are charged, as the representatives of 386,478 votes of Illinois to maintain and develop the political entity of the Progressive party as the instrument of their political will. We scout all amalgamation schemes for compromise with either of the old boss-ridden parties."

EVEN IOWA WILL FALL IN LINE

(ASSOCIATED PRESS TELEGRAM)
Des Moines, Ia., Dec. 16.—The Progressive party in Iowa will hold a statewide conference in Des Moines on January 9, according to an announcement by local and state leaders here today. On the preceding evening, January 8, Everett M. Colby, the New Jersey progressive leader, will deliver a lecture on the subject "The Progressive Party."

WOMEN REQUEST SHOOP TO QUIT

(ASSOCIATED PRESS TELEGRAM)
Chicago, Dec. 16.—John D. Shoop whose appointment as superintendent of schools to succeed Mrs. Ella Flagg Young raised a storm of protest, today received a committee of women sent by various civic organizations to ask him to resign. The delegation was headed by Mrs. Geo. Bass, president of the Chicago Woman's club. A courteous reception was given the women by Mr. Shoop who declined, however, to offer any reply. He said that while the request "had full weight in his consideration of the matter," he would deliver whatever statement he had to make to the board of education.

GIVES SALARY TO CHARITY.

(ASSOCIATED PRESS TELEGRAM)
Paris, Dec. 16.—Despatches from Madrid say that Francisco Rodriguez the newly elected mayor of that city has announced that he will turn over all of his salary to some charitable institution. He is one of the Dr. J. P. Latimer.

Cleveland Hotel Waiters on Strike for More Pay and Improved Conditions

(ASSOCIATED PRESS TELEGRAM)
Cleveland, Dec. 16.—Union waiters to the number of 125 at the Statler and Hollender hotels struck today and succeeded in closing the dining room of the former hostelry while the latter was operating with about half a force. Efforts to call out waiters at the Colonial hotel were made and it was forecasted by union leaders that they would join the strikers later in the day. Union club and Cleveland Athletic club waiters may also join the walkout. Pickets at the several hotels are trying to induce porters, bellhops and other employees to join the strike. Squads of police have been detailed to the different places affected but no violence has been reported.
The strike was called at a meeting of the union early this morning. The waiters demanded an increase in pay of \$5 a month and Statler waiters demand a six-day week. Improved conditions as regard the quarters of the men are also asked as well as a modification of the system of fines and better food.

Christmas Thoughts

By Chalmers L. Pannocost.
GIVE GRANDMOTHER THE BEST CHRISTMAS SHE EVER HAD
People who put grandmother aside are losing some of the beauty of living. Those venerable souls who have endured toil and hardships to make life possible for us should be worshiped instead of sneered at. Old age is beautiful. Old age is inspiring. The good old grandmother who has marched bravely down through the years deserves the best your heart has to give.
Don't you remember how she always made Christmas a great event for you? How she told you about Kris Kingle coming down the chimney? It was she who put the delicious sugar cookies and doughnuts in your stockings. Don't you remember how she spent hours revealing to you the wonders and beauty of Christmas; how she amused you for hours by making and flying paper birds and toys that were better than those bought at the stores?
Grandmothers are wonderful. They never grow tired. They are always doing something for someone else. They know just how to dry up the tears, smooth down ruffled tempers, tie up sore fingers, and soothe the breaking heart. So at Christmas give grandmother the best—make Christmas the most joyful event of her life.

Ohio Progressives to Place State Ticket in Field Next Campaign

(ASSOCIATED PRESS TELEGRAM)
Columbus, Dec. 16.—That the Progressive party in Ohio will place a complete state ticket in the field in the campaign next year was indicated today when State Chairman Walter F. Brown, issued the formal call for a conference of delegates representing every county in the state to be held in Columbus on January 3 next.
The call was issued by Chairman Brown after a conference with Supreme Judge R. M. Wamamaker of Akron and other leaders in the Progressive party.
The conference, it is expected, will assume practically the proportions of a state convention.
Former United States Senator Albert J. Beveridge of Indiana, will attend the conference and will make an address. It was announced. A state convention, it is planned, will be held by the Progressive party some time next summer.
The state ticket, including candidates for governor, lieutenant governor and other state officers, will not be formally named until the general primaries, to be held in September, so that the state convention would be charged principally with the construction and promulgating of a party platform upon which state and county tickets of which complete sets are to be named, will be expected to stand in the election to be held next November.
A statement given out at state headquarters of the Progressive party says:
"On behalf of the Progressive state committee, Chairman Brown and Secretary Thurber issued a call today for a Progressive state conference to be held at Columbus on Saturday, the third of January. The call is made at the request of the rank and file of the party as well as committeemen and party leaders all over the state. From expressions which have come to the state headquarters it is believed that the conference will probably formulate a tentative state platform for 1914, and may consider the advisability of proposing a ticket, to be voted for in the state-wide primary. All members of the Progressive party are cordially invited to attend. Former Senator Albert J. Beveridge, Victor Murdock and other well known Progressives will be invited to address the conference."

PARDONS AND COMMUTATIONS ISSUED TODAY

(ASSOCIATED PRESS TELEGRAM)
Columbus, Dec. 16.—To kill accidentally a man who knocks a boy to the floor when the boy refuses to go to a saloon and buy beer is a crime deserving of five years imprisonment in the penitentiary, in the opinion of Governor Cox and today he issued a full pardon to Anthony Heltman, Lucas county, who was sentenced to the penitentiary several years ago for manslaughter.
Heltman killed a man who had beaten Mrs. Heltman and knocked Heltman's young son to the floor when the boy refused to carry beer. It was one of three pardons and two commutations.

In a season of remorse Heltman pleaded guilty and was sentenced to five years. Judge Manton of the Lucas county common pleas court declared if the case had gone to trial without the plea of guilty entered by Heltman, he would have been acquitted.
William Loung, Cuyahoga county, serving 15 years for shooting with intent to wound was granted a commutation of sentence to 10 years and will be released immediately. He had no prison record and Warden Thomas of the penitentiary recommended clemency.

David Wolf, Fairfield county, sentenced a year ago for non-support of his family was pardoned on condition that he provide support. His wife and children are said to be destitute.

Robert Winslow, Madison county serving a life sentence for killing the alleged despoiler of his home, received a commutation of his sentence to 16 years and will be released soon.

ISSUE CALL FOR HELP TO FIGHT BULL

(ASSOCIATED PRESS TELEGRAM)
Columbus, Dec. 16.—Two state departments have marshalled forces to fight an unruly bull which daily terrorizes the pupils of a Hamilton county district school and makes repeated assaults on the building. They are the departments of instruction and workshop and factory inspection. Parents are keeping their children from the school and unless the bull is suppressed it will be necessary to abandon the school.

The school which is the object of the bull's attack is known as Mount Xebro building and is located in Special District No. 4, Miami township near Cleves. It is a one-room building. It is situated in the middle of a field owned by the man who owns the bull.
The school is not fenced in and there is no road to it. The owner of the bull refuses to segregate the animal and he roams about at will, chasing the children and ramming his horns into the building at pleasure. One of his diversions is to wait until school opens and then rip off a few weather boards.
Every time the bull makes a charge on the building, the children and the teacher become panic-stricken and the classes are broken up. Complaints against the bull were made to Frank W. Miller, state superintendent of instruction, with directions to use whatever means are deemed necessary to stop the trouble. The force of the superintendent of instruction is placed at the disposal of those officials in the onslaught to be made against the obstreperous animal.

Among the appeals made by the state for help was one that came from Prof. J. B. Johnson, principal of Riverside school, Cincinnati, who reports that drastic action should be taken.

FIRE STARTED BY ARSON SQUAD RUINS CHURCH

(ASSOCIATED PRESS TELEGRAM)
Liverpool, Eng., Dec. 16.—The suffrage arson squad today did extensive damage to St. Anne's church here. The stalls on the south side of the church were destroyed and the splendid organ was seriously damaged. Entrance was gained to the church through a stained glass window which the incendiaries smashed. Suffragette literature was left scattered about the place to indicate that the fire was intended as a protest against the government's treatment of Mrs. Pankhurst.

EIGHT DEAD IN FIRE AT MEN'S HOME

Score Injured After Being Overcome by Smoke in Fire at Cincinnati

INCENDIARISM CHARGED

Against Lodger Claiming to Be a Circus Rider from Arizona—Son of a Presbyterian Minister One of the Victims.

(ASSOCIATED PRESS TELEGRAM)
Cincinnati, Dec. 16.—Fire, believed to be of incendiary origin, exacted a toll of 8 dead and serious injury of a score of others when it destroyed the Salvation Army Home for Men here early today. Many of the injured were overcome by smoke while others suffered hurts making their way out of the fire-swept building. Several of the injured are in a serious condition.
The last five bodies found are unidentified.

THE DEAD.
Arthur Sandell, Bangor, Me.; bookkeeper and clerk of the home.
Th. Shoddell, believed to work in this city.
Three unidentified men.

Sandell is a son of a Presbyterian minister. There were 150 beds in the building, of which 45 were occupied by employees of the Salvation Army. Everyone of the employees escaped and are accounted for. Almost all of the other beds were occupied by transient lodgers and unfortunately who make their homes in buildings of this class.
A charge of incendiarism was placed against a man who gave the name of Frank Meyers. He claimed to be a circus rider and said he last lived in Arizona.

The property loss is estimated at \$55,000. It is believed there are several more bodies in the ruins.
Burrowing into the debris of the burned structure is being hurried as the officials are confident that a number of other bodies remain buried there. The inability of those who conducted the house to accurately estimate the number of lodgers eliminates the possibility of compiling any list of missing.

Heroic rescues during the progress of the fire became a common sight. Firemen, policemen and officials of the Salvation Army carrying limp and apparently lifeless bodies down the fire escapes and ladders to waiting ambulances. Praise is being heard on all sides for the work of the Salvation Army men as they assisted the firemen immeasurably in guiding them through the smoke-filled and intricate passages of the burning building.

The origin of the fire is not known but suspicious actions on the part of Meyer led the police to question him. He apparently was unable to give a clear account of his actions and a charge of incendiarism was placed against him.
An investigation by the building inspector has started.

FEUD ENEMIES SAY THEY WILL FIGHT IT OUT

(ASSOCIATED PRESS TELEGRAM)
Springfield, Mo., Dec. 16.—Members of the Collins family of Old Horton, in Howell county, whose homes were raided last Sunday by masked men, said to be feud enemies of the family, are arming themselves and barricading their homes in preparation for a fight, according to reports brought here today.

Paralee Collins, the young woman who was taken from her home by the raiders, lashed with hickory switches and ordered to leave the state on pain of death, appeared in West Plains last night accompanied by Mary Dick Collins, another young woman who was ordered out of the county. After buying arms and ammunition the women left, saying they intended to return to Old Horton and "fight it out."

According to reports great excitement prevails in the isolated village of Old Horton and a second visit of the raiders would mean a pitched battle. It is said the band of raiders was made up of citizens of the community who sought to drive out certain members of the Collins family.

SPENCER WILL HANG JAN. 16

(ASSOCIATED PRESS TELEGRAM)
Springfield, Ill., Dec. 16.—Governor Dunne today issued a reprieve until Friday, January 16, 1914, to Henry Spencer, sentenced to hang December 19 in Wheaton for the murder of Mrs. Mildred Allison Rexroat.

Ohio the Foremost State of the Union With the Greatest Governor

New York, Dec. 16.—Colonel John H. Patterson, the effective man, greatest employer of labor in all Ohio, and he who was the man of the hour in the great flood disaster at Dayton and the Miami Valley, is likewise a man of decided views. He has been in New York attending the sessions of the American Museum of Safety, and aside from that has been enjoying considerable relaxation from his tremendous responsibilities by indulging in some pleasant sight-seeing. He was one of the very conspicuous men of big wealth, who employs numberless men and women in his great enterprise at Dayton which has done much to place the Gem City in an advanced position before the business world, in attendance upon the dinner given last Thursday night by the Railway Business association. There, though he was not down upon the program, Colonel Patterson was called upon by the chairman for a few remarks. The Colonel, without in any way referring to his own great work in Dayton's time of need, spoke only of the help the railroads had given his home town in order to alleviate the sufferings of its people. Colonel Patterson has been a constant visitor and close listener at the various industrial meetings that have been held in New York this week. He is not only deeply interested in the city of Dayton, but, of necessity, in the state of Ohio where he has such great financial and industrial interests. Colonel Patterson has never heretofore discussed politics for publication and has never publicly endorsed nor advocated the claims of any public man. On the general commanding position of Ohio today Colonel Patterson in a conversation this morning grew very enthusiastic. "Ohio is more conspicuous today than she has ever been before," said Colonel Patterson. "She stands out boldly where she can be seen of all men. No other American commonwealth has ever been so prominent in the eyes of the world."
"And why shouldn't Ohio be prominent at this time," he pointedly asked. "We are progressing out there. We are making headway politically and industrially. We are doing things for others—for those to come after us, and that is what counts," he continued. "Politically we are rejuvenating our city governments. We are adopting the commission plan and getting ready to apply business principles to government."

MOB BREAKS INTO A JAIL; LYNCHES MAN

Williston, N. D., Dec. 16.—Clev. Culbertson, recently convicted of murdering the members of the Dillon family at Ray, N. D., was taken from the Williams county jail by a mob today and hanged from a bridge near here.

The lynching took place shortly before daylight. The lynching party which consisted of a large number of masked men, battered down the doors of the jail with a heavy iron pipe. Despite the warnings of Sheriff Erickson, the men rushed into the jail, tore the door from the cell occupied by the prisoner and dragged him out. He was taken to the middle of Muddy River, a mile and a half from town and hanged from a wagon bridge. The body was then riddled with bullets.
Culbertson while being taken from the jail pleaded for mercy but was met with the reply, "You did not show any mercy to the Dillons and we'll show none to you."

TWO LYNCHED IN BLANCHARD LA.

(ASSOCIATED PRESS TELEGRAM)
Shreveport, La., Dec. 16.—Two negroes, Ernest and Frank Williams were lynched by a mob at Blanchard, La., today. They had confessed to killing Calvin Ballard, whose body was found hacked to pieces in his store Saturday morning.

REGULATIONS OF NEW CIVIL SERVICE LAW

(ASSOCIATED PRESS TELEGRAM)
Columbus, Dec. 16.—Deputy city clerks will be under civil service regulations after January 1, when the new civil service law goes into full effect; assistant city solicitors will not be under civil service rules; reporters and stenographers of Common Pleas courts will be subject to civil service restrictions, but reporters of courts of appeals and the supreme court will be exempted.

These are the opinions which Attorney General Hogan is expected to give out soon in answer to requests for interpretations of the new law.
It is understood that the attorney general's opinions will suggest several improvements and point out weaknesses in the civil service law.

SHOPPER SEIZED WITH APOPLEXY

William Taylor, seventy-six years old, a resident of the vicinity of Purity, was seized with a stroke of apoplexy about noon Tuesday as he drove his horse into the Baughman grocery barn in the rear of the post-office. He had come to Newark to do some holiday buying.

Mr. Taylor had just stopped his horse after entering the barn when he was seized with the attack. Attendants of the barn helped him from the buggy and Dr. H. H. Postle was summoned. After an examination the stricken man was ordered removed to the City hospital where his condition is said to be serious.

Mr. Taylor is the father of Mrs. C. L. Riley of this city and is a well known farmer of Eden township.

50 REPORTED ENTOMBED IN VULCAN MINE

Grand Junction, Colo., Dec. 16.—An explosion today at the Vulcan mine at Newcastle, Colo., east of here, is reported to have entombed 50 miners. The mine is owned by the Rocky Mountain Fuel company. The cause of the explosion is unknown.

WOULD LESSEN DELAYS IN ALL COURTS OF LAW

(ASSOCIATED PRESS TELEGRAM)
London, Dec. 16.—A number of striking proposals to lessen delay in the law courts are made in the final report of the royal commission which has been studying the problem for some time.
It is proposed to do away with grand juries, to reduce the long vacation to two months, to hold no assize unless there are three prisoners and to have judges in London sit for longer hours. A "speedy list" is to be formed of cases where there is no defense.

Judges are to retire at the age of 72, or after six months absence. Judges are to be allowed to retire after ten years service on the condition that they serve if called upon during such period as would make up 15 years service. All retired judges are to be supernumerary judges.

Pensions after five years service or less are to be \$7,500 with \$1,000 a year extra for every year's service, the maximum being \$17,500 for fifteen years service.
Dealing with delays in London and lengthy trials, reference is made to the growing tendency to adjourn cases for the convenience of "fashionable counsel" who like to "spread themselves over a trial for a week."

NEW YORK WOMEN WANT LADY COPS

(ASSOCIATED PRESS TELEGRAM)
New York, Dec. 16.—Demand that New York follow the example of other cities in the appointment of policewomen is made by Miss Maude Miner, secretary of the New York Probation Society. She wants ten policewomen appointed to do the work that heretofore has been done by representatives of the society in solving abduction cases and tracing runaway girls. She declares a woman with police power would be of the greatest service, for the reason that girls would have more confidence in her than they would have in a man.

City Fireman, Mother and Sister are Burned to Death in Apartment House Fire

(ASSOCIATED PRESS TELEGRAM)
New York, Dec. 16.—A city fireman, his mother and sister, were burned to death early today in a fire which practically destroyed a five-story apartment building in which they lived at 386 Amsterdam avenue. It was one of the most spectacular apartment house fires in this city recently.
Flames which started in the basement spread so rapidly that the 30 occupants of apartments found all exits cut off when aroused by the arrival of the firemen. Thrilling rescues were effected from third and fourth story windows but seven persons were injured by the flames or by jumping to the street.
Thomas J. McManus, 24 hours' leave from the fire station in the vicinity, was at home with his mother, Mrs. Mary McManus, and his sister Mary. All three were trapped and the fireman's stationmates were unable to reach him. One of them, Michael O'Sullivan, was probably fatally injured by falling from a ladder while trying to make his way to McManus' rooms. Among the others seriously hurt were Mrs. Margaret Maurer and her infant son. The loss is estimated at \$25,000.

PROPOSALS FOR UNITING THE PARTY

Republican Members of National Committee Having Their Troubles

MANY PLANS PRESENTED

For Consideration Including Resolutions by a Special Committee—Some Favor, Others Oppose National Convention.

(ASSOCIATED PRESS TELEGRAM)
Washington, Dec. 16.—Two proposals for the reorganization of the Republican party and to find a basis upon which discordant elements can unite, confronted the Republican national committee today.

Foremost was a proposal for a special national convention to readjust the system of delegate representation. The other was that no convention be called but the national committee fix a plan of reapportionment for ratification by Republican state conventions. A resolution for a special convention was prepared by a special committee, which also framed another resolution in accordance with a compromise suggestion by Charles B. Warren of Michigan, chairman of the law committee, proposing that after the national committee fixes a basis of delegate reapportionment, the plan be ratified by two-thirds of the states which cast Republican pluralities for president in 1908.

On the special committee drafting the resolution, were Committeemen Warren of Michigan; Borah of Idaho; Hadley, of Missouri, who also holds a proxy from Louisiana; Smoot, of Utah and Howell of Nebraska. They went into session early today to report later to the entire committee. Former Governor Hadley of Missouri, a member of the special committee appointed last year by the Chicago conference of progressive Republicans to make overtures for party reorganization was not averse to the compromise plan. Mr. Hadley said he favored a national convention, but failing to get that he would hope for submission of the party problems to a referendum of the states. Senator Borah declared early today that he intended to fight for final disposition of the reapportionment plan.

Before the special committee was ready to report the national committee began its session and was addressed by Mr. Warren, who declared that there had been no division in the Republican party on questions of political or economic policy, "but because of differences of opinion as to the methods employed in expressing party sentiment, the problem," he said, "is to prevent the continued division of the members of the party. No one should expect representation to be determined by rules providing for absolutely equal representation. But when one state sends one delegate to a national convention for every 1,654 votes cast for the Republican candidate for the presidency in the preceding election and another state one delegate with but an equal vote and vote for every 10,398 votes cast; when one state sends one delegate for every 857 votes, and another a delegate for every 11,158 votes; when one state sends a delegate for every 220 votes and another state a delegate for every 11,633; all must know that such a method and such a system must cease."

Another plan for a basis of representation was brought to the attention of the national committee today by Robert M. Mars of the New York Young Republican club. It proposes that each state shall have four delegates at large, that there shall be one delegate from each congressional district where the Republican vote is more than twenty and not more than forty per cent. of the total.

Indian Records Back to the Time of Christ Unearthed in Arizona

Philadelphia, Dec. 10.—Records of Indian history, dating from the time of Christ and containing the only accurate information in existence in regard to the human race on the American continent for many centuries before the arrival of Columbus have been unearthed by members of the Navajo tribe of Indians in Arizona and are now on the way to the museum of the University of Pennsylvania. The records, which date from the year 33 A. D. and continue down to the present time, upset all the theories of government experts who have spent lifetimes in the quest of Indian history. They are considered the most important discovery concerning the American aborigines ever brought to light.

The records, which fill three immense chests, are inscribed on stone, pottery, slate, bark, animal and snake skins, parchments and paper. They are carved on the stone, burned on the bark, molded in the pottery and drawn on the skins and parchments with human blood, Indian inks and charcoal. Many of them are in very fragile condition because of their great age and will not stand much handling. Immediately upon their arrival at the museum they will be photographed so that the inscriptions will be preserved forever.

A complete diary of all the leading events which transpired among the Navajos for 1,000 years, as well as the longest genealogy in the world, that of the chiefs of the tribe who inherited their leadership from generation to generation, is contained in the records. Many of the facts recorded are startling in their revelations and are of tremendous importance to ethnologists.

One of the remarkable features of the records is the reference to three distinct races on the continent of North America a thousand years or more ago. These people, according to the characters with which they are perpetuated were of entirely different blood, and antecedents and their customs and habits of life were at great variance. Just who these three peoples were and their possible origin is expected to be discovered.

iods, and were seldom, if ever, brought into the light again.

Members of the tribe knew of the existence of the long chain of history, but realized neither its importance nor extent. Government experts who visited them received a cold reception when the Indians understood the object of their mission, and they received little or no information from them. Professor Hodges, who led several expeditions into their midst, was unable to find even a key to the peculiar characters which served them in lieu of a written language, and returned to Washington each time with only a description of their habits and customs, but little in regard to their antecedents or history.

The two children of Chief Shewan, through years of study and association with the white race, became highly enlightened, and soon began to take a deep interest in the history of the American aborigines. They realized the tremendous importance of a knowledge of events on this continent prior to the arrival of Columbus would have in aiding the ethnologist to solve the mystery of the origin of mankind on this side of the world, and they themselves took up the research among the people of their own race.

The privilege of resurrecting the aged records was a matter to be granted by their father merely for the passing, and little by little the records were removed from their ancient resting place and subjected to their examination. The great fund of information which they contained was a revelation which startled the pair, and they promptly determined to persuade their father to allow the records to be copied by the white man.

Much opposition was at first encountered for the old chief, born to the custom of guarding the traditions of the tribe with his life, was reluctant to betray the faith of his ancestors. But reason prevailed, and the chief called a meeting of his counselors and, laying the matter before them, declared his intention of granting his children's request. His decision was sustained by the council, and accordingly the records were packed in three great chests and given into the custody of the young Indians.

While Anemone came east to confer with officials and friends at the Carlisle school her brother remained in Arizona, prepared to ship the records upon receipt of word from her. The discovery of the records was brought to the attention of A. J. Gannon, of this city, who is interested in Indian ethnology, and he took the matter up with Professor Gordon at the university.

By offering the facilities of the museum for the storage and compilation of the records together with the free services of experts to assist in the translation, Professor Gordon succeeded in persuading the young Indian woman to deposit them in the museum of the Smithsonian Institution at Washington, the Metropolitan Museum at New York and institutions in other cities.

The Indian girl came to Philadelphia last week, bringing with her samples of the records which she exhibited to the great amazement and wonder of Professor Gordon. The university's expert on Indian matters was unable to make much out of the records, but by comparing the characters on them with other specimens at the museum found them to be genuine.

Anemone, who is well versed in the sign language, promptly proved her ability to translate the records by deciphering characters at the museum which had baffled experts who had examined them.

After some negotiations the Indian woman decided to send for the remainder of the records, and they are now en route to this city and are expected to arrive before the close of the week. Professor Gordon is enthusiastic over the find and ventures the prediction that the origin of the American Indian may be conclusively determined by the records.

COMMEND WORK OF THE FORMER NEWARK CITIZEN

Newark acquaintances of the now celebrated Konrad Neis, whom German-Americans of United States are wont to greet as their most favored son of the muse, have learned, through a mis-sent letter that he recently spent part of a day in Newark, enroute from his home in San Francisco to Washington and New York.

Mr. Neis some years ago was instructor in German in the Newark public schools. Even then, but not so much as today, his poetic genius had won recognition both here and abroad. Among the commentators on his art are listed the leading literary journals of America and Europe, capitals. For instance, Frank Leslie's Ill. Times said of him, recently:

"Konrad Neis holds one of the foremost places among the German-American poets; of the younger generation he is decidedly the most original, and as a lyric poet he excels all his German contemporaries of the New World."

The Literary Digest says: "Konrad Neis is the most accomplished of German-American singers. Under his hand language becomes wonderfully melodious."

Der Salon, Vienna, says, with reference to him: "An eminent eloquent, who is as brilliant in his delivery as he is a past master in the realm of poetry."

CLAIM SPANISH HAVE AIDED THE FEDERAL TROOPS

(ASSOCIATED PRESS TELEGRAM)

Juarez, Dec. 16.—Rebel leaders in Juarez today were hopeful that information would come from General Francisco Villa of his future attitude toward foreigners in a less serious aspect than that which resulted in the expulsion of Spaniards and the taking over of their property by the rebels.

General Benadi-Banavides left by Villa in command in Juarez considered that Villa's actions were based on the fact that "Spanish merchants of Chihuahua had aided the Federal troops," had taken a strong stand in favor of Huerta and so were considered by Villa as active enemies of the revolution. He was confident that with the Spaniards eliminated and with certain suggestions which have gone forth to Villa the future attitude of the rebels toward foreigners would harmonize with the desires of their countries.

Raoul Madero, a young brother of the late president, may be appointed chief of staff to Villa, and as an adviser in civic and diplomatic functions of government, it was announced.

The 400 or more Spaniards, who were summarily expelled from Chihuahua and who were joined by some of the German and American merchants, were, however, not less active in their protests. The Spaniards held that their rights, both as to the taking of their property and as to their being required to leave the country were violated in serious manner.

OPENING OF BEAUTY SHOP IN ARCADE

An opening reception was held at the Maxine Beauty Parlors today, and just a visit to the dear little shop makes one long to be as pretty as you feel sure the parlors can make you. All the fittings and furnishings are done in the purest of white and you can feel the lure of the luxury of being massaged and shampooed and manicured in the cozy little booths.

The parlor is owned by Mr. Dick Curry, and is under the direction of Mrs. McEwen, who has just finished a course at the school of Dr. Emile Wilbrant in Chicago.

The walls and fittings are of white with nickel trimmings. The furnishings are of white enamel, and the interior is arranged into four booths. In the rear booth is the manicuring table for the men. The ladies' manicurist will have a table in the front of the shop. All of the appliances are of the most complete and up to date obtainable. Especially wonderful is the high efficiency battery for the treatment of scalp and skin affections. Next is the noiseless hair dryer and the electric wall board. There are three kinds of electric treatments, the high frequency, the galvanic and the faradic. All will be used in the Maxine parlors and under the most skilled and reliable hands. The beauty light may be used in either the violet or the red rays. All the fittings are of the Art-Aseptible company.

At the formal opening today favors of narcissus were given the visitors and all received tiny vials of several toilet preparations.

Mrs. McEwen will have an assistant and the parlors will be open to patrons on Wednesday.

FEDERAL SCOUT WITH SHERIDAN DIED LAST NIGHT

(ASSOCIATED PRESS TELEGRAM)

Pittsburg, Dec. 16.—Archibald H. Rowand, aged 68, the last but three of General Phillip H. Sheridan's famous "Jesse Scouts," died in his home here last night. He was awarded the congressional medal of honor on recommendation of General Sheridan for his daring work in the Shenandoah Valley campaign. He was 117 years old when he began his hazardous work and for three years spent most of his time within the Confederate lines. He served under Generals Averill, Milroy, Hunter and Sheridan.

Mr. Rowand served two terms as clerk of courts of Allegheny county. Since 1885 he had practiced law. His son, H. H. Rowand, is first assistant district attorney of Allegheny county.

BIG FIRE LOSS.

(ASSOCIATED PRESS TELEGRAM)

Lynchburg, Va., Dec. 16.—Fire in the retail business district early today did \$200,000 damage, mostly covered by insurance. The flames started in a hardware store from an unknown cause.

BREATHE FREELY! OPEN NOSTRILS AND STUFFED HEAD—END CATARRH

Instant Relief When Nose and Head are Clogged from a Cold. Stops Nasty Catarrhal Discharges. Dull Headache Vanishes.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it. It will apply a little in the nostrils and instantly your clogged nose and stuffed-up air passages of the head will open. You will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone.

End such misery now! Get the small bottle of "Ely's Cream Balm."

Acid Stomachs Are Dangerous

(Common Sense Advice by a Distinguished Specialist.)

Acid stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus undermining and preventing the proper action of the stomach, and leading to indigestion, constipation, and other stomach troubles from which people suffer. Ordinary medicines and medical treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized, and its formation prevented, and the best thing for this purpose is a teaspoonful of liquidated magnesia, a simple ant-acid, taken in a little warm or cold water after eating, which not only neutralizes the acid, but also prevents the fermentation from which acidity is developed. Food which ordinarily causes greatest distress may be eaten with impunity if the meal is followed with a little liquidated magnesia, which can be obtained from any druggist, and should always be kept handy.

MEAT INJURIOUS TO THE KIDNEYS

Take a tablespoonful of Salts if Back Hurts or Bladder bothers—Meat forms uric acid.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; the toxic matter, the eliminative tissues clog, and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headache, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure. It makes a delightful effervescent lithia water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.

Obituary

Alexander Wright.

Bladensburg, Dec. 16.—Alexander Wright, seventy-seven, was buried Sunday at the West Carlisle Presbyterian church cemetery. Mr. Wright who was a civil war veteran, died suddenly of heart trouble Friday at his home at Cooperdale. He had visited the village store and immediately upon returning home was seized by the fatal attack.

Thos. J. Williams.

Thomas J. Williams was born in McKean township, December 24, 1846, and died at Union Station, O., December 4, 1913. He was married to Violetta Raymer, December 10, 1874. To this union were born two sons and six daughters. Three daughters and one son with the faithful wife and mother, besides a host of relatives and friends mourn their loss. Mr. Williams was a good Christian man, having confessed his Savior in his youth and was ready when the sudden summons from his Master came. He was a kind husband and father, a good neighbor, loved and respected. His pastor conducted his funeral at his residence in Union Station in the presence of a large number of his neighbors and his body was laid to rest in the cemetery near Fredonia.

OHIO BRIEFS

(ASSOCIATED PRESS TELEGRAM)

East Liverpool, O., Dec. 16.—"Dry" leaders said today that plans for local law elections in this city and Wellsburg will wait until after the holidays. Then petitions will be circulated and an effort made to hold elections in both cities the same day. The two towns have been "wet" two years.

(ASSOCIATED PRESS TELEGRAM)

Cleveland, Dec. 16.—The police here are searching for a thief who is reported speeding towards Cleveland from Akron in the third automobile he has stolen since last night. The other two machines have been recovered. The thief started his trip from Canton where he stole a car belonging to R. C. Jamison last night. He drove to Akron, abandoned the Jamison car and took one belonging to W. A. Wright of Akron. He then sped on to Cuyahoga Falls, left the Wright machine and helped himself to one belonging to Ralph Hedden.

who has suffered greatly from the shock of her husband's death, was somewhat improved Tuesday.

Besides the widow, Mr. Richards is survived by his father, James Richards, living in Hebron; a half brother, A. J. Moore, living in Cambridge street, Newark, and an aunt, Mrs. H. M. Lawyer, of Hebron.

Mrs. Rugg's Funeral.

The funeral of Mrs. E. T. Rugg was held Tuesday morning at her home in Hudson avenue, Rev. H. O. Howlands officiating. Relatives and friends accompanied the automobile cortege to the Alexandria cemetery where interment was made.

Mrs. Catherine Scott.

Lock, Dec. 16.—Mrs. Catherine Scott died Saturday evening at her home in Milford township, near the Camp schoolhouse, after a long illness of paralysis. Mrs. Scott, who was seventy-five years of age, is survived by two sons and one daughter. Burial was made Monday at Lock.

John Thomas Trace.

John Thomas Trace, age fifty-four years, died at his home, rear No. 29 North Sixth street Tuesday morning at 10 o'clock following a prolonged illness of rheumatism and other complications. His death was not unexpected.

The deceased was born in Muskingum county but has been a resident of Newark for the past 35 years. He leaves a wife and two children Mrs. Thomas Jones and Ernest M. Trace, a grandson, John David Jones, three sisters, Mrs. Belle Ryan of Columbus, Mrs. Ella Looker and Mrs. Nancy Weakley of Newark and two brothers, Willis and Jesse Trace of Newark.

Funeral services will be held at the home Thursday afternoon at 2 o'clock, Rev. Geo. Bohon Schmitt officiating. Interment at Cedar Hill cemetery.

HERO OF DAYTON FLOOD VISITING NEWARK FRIENDS

Mr. A. J. Bell, whose home is in Dayton, and who is employed there by the Bell Telephone company, is visiting in the city the guest of Mr. W. J. Eade. Mr. Bell is known over the country as "the hero of the Dayton flood." For it was by his heroic efforts as an operator that communication was sustained as long as possible and every effort made to keep the outside world informed of the Dayton conditions.

ASSOCIATION IS CONSIDERING NEW RULES FOR RACERS

(ASSOCIATED PRESS TELEGRAM)

Chicago, Dec. 16.—Only the horse winning the race would be accorded with a record should a rule, which will be considered by the joint rules committee of the American and National Trotting associations at its meeting here today, be adopted. Under present rules, every horse winning a heat or making a dead heat for first place is given a record corresponding to the time made in the heat.

Under the proposed new rule, time made by other heat winners would constitute a "breeders record." The intention of the rule would be to discourage the checking of horses whose drivers do not think them capable of winning a race and do not want them to win a heat and acquire a fast record. Another rule which will be proposed would give a free legged pacer three second allowance over a hobbled pacer.

Society

Miss Clotilde Howard entertained with a pretty luncheon on Monday afternoon at her home in Clinton street, honoring Miss Grace Raison. All the appointments were in white, the table being arranged with candles. Covers were laid for the following: Misses Grace Raison, Irma Alsapach, Lucille McEwen, Katherine Musser, Margaret Moore.

Mrs. Genevieve Bentz was pleasantly surprised last evening at her home in Seventh street by her children. The event was her sixty-seventh birthday anniversary. An elegant lunch was furnished by the self-invited guests, a feature of which was the large birthday cake, which held sixty-seven lighted candles. The evening was enjoyed in a social way. Mrs. Bentz received a number of useful gifts.

The U. S. of R. club held its regular monthly business meeting and social at the home of Russell Thorp in Eastern avenue. After the business was transacted an elaborate three-course luncheon was served in the dining room to the following members: Irving Huggins, Neil Caldwell, Harold Funk, Lulard Dickerson, Harvey Lescault, Leslie Actor, and the host, Russell Thorp.

The president, Irving Huggins, then gave a forceful talk for the betterment of the club which was followed by singing.

The calendar of the Monday Talks, for the Monday meeting, bespoke the Christmas greeting to its members in these words: "Glory to God in the Highest, And on Earth, Peace, Good Will towards Men." The meeting was one of the most enjoyable ever held. The Y. W. C. A. gymnasium was decorated with laurel and Mrs. Charles White of Granville told the story of the Christmas carol and brought with her from Granville a quartet composed of Mrs. Jacob Rohrer, Mrs. Carl Ashton, Mr. Ralph Morris and Mr. Carl Ashton. Also to further illustrate her talk Mrs. White had a trained choir of Newark boys and girls who sang French, Italian, German and English Christmas carols. Thirty-one in all were sung. Those composing the choir were Martha Grace Miller, Virginia Miller, Helen Vogelmeier, Janet Thompson, Helen Crowmer, Elizabeth East, Eleanor Johnson, Miriam Daly, Anna Haynes, Dorothy Davis, Mary Elizabeth Smith, Dorothy Glenn, Helen Heim, Estella Rothwell, Woolson Davis, John Lemert, Donald Power, Harold Van Tassel, David Allen, Harold Norris, Guy Harlow, Harold Walker, William Rothwell, and Harold Essman. The accompaniment was played by Miss Bessie Larkin.

One of the enjoyable events of the week was a surprise party given Miss Blanche Hollar last Saturday evening at her home near Vanatta in honor of her sixteenth birthday anniversary. The evening was spent in games and music after which refreshments were served. Those present were Messrs. and Mesdames J. P. Lock, J. E. Chaney,

E. G. Hollar, Misses Lulu Redman, Ethel Goorley, Mabel Goorley, Lucille Dicken, Marie Kirk, Elsie Oliver, Edith McLaughlin, Rilla McLaughlin, Ruth Hollar, Helen Hollar, Cecil Hollar, Fannie Hollar, Blanche Hollar, Messrs. Harry Miller, Stanley Miller, Orville Redman, Emery Redman, Willis Brown, Ivan Kirk, Lester Goorley, Charles Spiker, Harold Chaney and Mrs. Mary Hollar. Miss Hollar was the recipient of many beautiful presents. All departed at a late hour wishing Blanche many more happy birthday anniversaries.

Mrs. D. A. Prior of 154 South Sixth street will entertain the ladies of the L. C. B. A. at her home on Wednesday evening, December 17.

The members of the Investigators club and guests spent an enjoyable afternoon with Mrs. Harry Postle in Granville street. The program was most interesting, and was as follows: Quotations—Christmas Thoughts.

Christmas Giving—Mrs. Otis Morse. Christmas Songs and Carols—Mrs. A. B. Long. Reading, Little Babe of Bethlehem—Miss Mary Ben Dicken. Christmas Story—Mrs. Fred Fulton. Critic—Mrs. Eugene Ball. The club adjourned to meet with Miss Orr January 12.

Mrs. Edwin Besuden has issued invitations for a reception on Saturday at her home in Hudson avenue. The reception honors Miss Annette Besuden who returns home after spending several months abroad.

Getting Around It.

The members of a party around a table in an exclusive club in a downtown skyscraper were much amused the other evening by a controversy between their waiter and another employee of the club.

One of the party had ordered sirup. What the sirup was for has nothing to do with this story. Going to the dumb waiter, the servant shouted in his best ordering voice:

"Sirup."

"I don't getchu," came the response down the shaft.

"Sirup!" this time with two exclamation points and rising inflection.

"Come again," was the imperturbable response.

"Sirup!" It went up the shaft like the blast of an explosion.

"A-w, spell it," said the echo.

"S-u-r—the waiter had his feet planted firmly—"s-u-r"—he had tightened his vest and taken a deep breath—"s-u-r. Say, bring some one to the shaft that can understand me, will yuh?"

And he waited with some dignity the coming of a person with sharper ears.—Pittsburgh Post.

Courtship by Flowers.

In remote Alpine hamlets and villages, especially in the Bernese Oberland, there still exist ancient and pretty customs of proposing marriage by the language of flowers. If a maid accepts a bouquet of edelweiss from a man she at the same time accepts him as her fiancé, the idea being that the man has risked his life to obtain the flowers for the woman he loves. Another method which exists in the canton of Glarus is for the young man to place a flowerpot containing a single rose and a note on the window sill of the girl's room when she is absent from home and wait—perhaps days—for a reply. If the maid takes the rose the young man boldly enters the house to arrange matters with her parents, but if the rose is rejected without a single word having been exchanged between the couple. Sometimes a dicker girl will keep a young man waiting a day or two for an answer, but whatever it may be it is final.

When Buttons Were Big.

Bachmann writes in his "Secret Memoirs," Nov. 18, 1786: "The mania for buttons is today extremely ridiculous. They are not only of enormous size, some of them as big as six pound crowns, but miniatures and pictures are made upon them, and this ornamentation is extremely costly. Some of them represent the medals of the twelve Caesars, others antique statues and still others the Metamorphoses of Ovid." Isabeau, in his biographical notes, says that when he came to Paris he worked for a living by making copies of Vanocis and Bonchers on the lids of snuffboxes and that for these medallions he was paid from two to three francs each. "As it was still the fashion," he said, "to wear buttons as big as a five franc piece upon which cupids, flowers and landscapes were cut in cameo, I went into that business. I got 12 sous for each."—Philadelphia Ledger.

Act of a Monster.

Where is Carmania? Translate it into Kirman and a few who are up in the affairs of the middle east could identify the Persian province. Most of us know so little of that part of the world. But the chief town, Kirman, also known as Carmania, was the scene in 1795 of one of the most terrible events ever in the history of Asia. Agha Mohammed, founder of the Kajar dynasty, then besieged and took the place and, raging at the escape of his defeated rival, with three followers, ordered 70,000 eyes of the inhabitants to be brought to him. He counted them with his dagger point and said to his minister, "If one had been wanting I would have made up the number with your own eyes."—London Standard.

His Finish.

A politician was describing at the club the death of a rival.
"Yes, Jones is dead," he said, and, with a chuckle, he held his glass up to the light. "Yes, Jones is dead. He slipped on the parquetry floor of his library and killed himself."
The politician gave a loud laugh. Then he added:
"A hardwood finish, eh?"—Exchange.

Theaters

Last Night's Show.

Delightful Peggy O'Neil has come and gone and she easily won a place in the hearts of those who had the pleasure of witnessing the production of "Peg of My Heart" at the Auditorium last evening.

The coming of the play had been heralded in the press for weeks and the producing company was praised by the personal guarantee of Manager Hamilton and all-around the Auditorium was crowded by the thousands who had been waiting for the play.

deserved it and that is just what has been happening in every city where she visits.

Everyone likes Peg from the moment she makes her first appearance with her dog Michael and the likeness increases as the play progresses. Miss O'Neil is a finished actress. She comes from a family of actors and the profession is her life, her very existence. She is young in years and a child off the stage as well as on. Her quaint sayings in depicting the character of Peg, her rich Irish brogue, her unassuming naturalness and the love of her "father" endear her to those who follow the fortunes of the little lone-some which end up the grand home of her father. Here she has been seen through the eyes of an uncle's

will. Peg's story ends as all such stories do, in the triumph of the little god, Cupid.

Miss O'Neil was ably assisted by a capable company, Miss Jane Meredith being deserving of special mention. Roland Huse as Peggy's cousin and Martin Sabine as Jerry were true to life and their acting was very commendable.

"Everywoman."

The sale of seats for Henry W. Savage's production of "Everywoman" opened with a rush at the box office yesterday and there was a steady demand for seats all the day through and everything points to capacity business for all three performances. This production is without exaggeration the biggest attraction that has ever appeared at the Auditorium in all its history and theatergoers of Newark are very fortunate, indeed, to have an attraction of this calibre to visit a city of this size and who one realizes that this company travels by special train, has nearly one hundred and fifty people and requires 12 big loads of scenery and electrical effects to give it proper production and their own symphony orchestra, now what is there left that one could or would imagine that is not in "Everywoman" to make good the assertion that it is the biggest and best attraction that has, as yet, been presented at the Auditorium and you have the management's personal guarantee to this effect. The engagement is for two days, Wednesday and Thursday, with a special matinee, Thursday at 2:30.

Xmas Week at Auditorium.

Following the big production of "Everywoman" the theatrical menu for the balance of December will include that masterpiece of moving pictures in five reels, "From the Manger to the Cross," produced in authentic locations in Egypt and Palestine and depicting the life story of Jesus of Nazareth. This picture is one of the most inspiring and magnificent that has, as yet, been made. This engagement is for three days, with daily matinee, commencing Friday December 19. For Xmas matinee and night, will be a grand musical treat in the way of two concerts by "Cincione and his big band." This band is composed of 40 musicians and is the King of Italy's own band and is on its first American tour through his permission. For Saturday and Sunday following Christmas will be that old time drama, "East Lynne," which will be shown in five big reels and afford a very pleasant evening's entertainment. Then comes the big noise for Tuesday matinee and night December 30, Al G. Fields and his big band of merry minstrels.

To Improve Pretty Hair and Beautify Ugly Hair

Harmony Hair Beautifier, a delightful liquid hair dressing, is just what it is named—a hair beautifier. No matter how pretty your hair now is, it can be made to look even better by using Harmony Hair Beautifier. To those who mourn because the hair is stringy, dull, lustreless and homely, Harmony Hair Beautifier will prove a real blessing and pleasure. It seems to polish and burnish the hair, making it glossy, silky-soft and more easy to put in graceful, wavy folds that "stay put." It overcomes the oily smell of the hair with a dainty, true-rose fragrance, very pleasing to the user and those around.

Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made. Human Procession

Kilts are usually considered the distinctive garb of the Scottish Highlanders, and few know that the "masculine petticoat" was once a part of the national costume of Irishmen. The Lord Ashbourne has not forgotten this fact, however, and he often appears in public wearing the saffron-colored kilts which adorned Erin's sons many centuries ago. Baron Ashbourne who was the Hon. William Gibson until he acceded to the barony on the death of his father last May, will pass his forty-ninth milestone today, so his adoption of the ancient garb is no mere vagary of youth. In addition to his predilection for the old Irish dress, he speaks the ancient language of the Emerald Isle. He is an enthusiastic Nationalist and Home-Rule advocate, and is a convert to Catholicism. His evident desire to become the most Irish of Irishmen was not pleasing to the late Baron, who, in his will, cut off his eldest son and heir to the title with only \$4,000, the remainder of his fortune, about \$450,000, going to his second son, Edward Gibson. The late Lord Ashbourne was a noted Unionist leader. He was Edward Gibson until he was created a baron in 1885. He was Attorney-General for Ireland from 1877 to 1880, and later was Lord Chancellor of Ireland, with a seat in the cabinet, for three times under Conservative governments. He was the originator of the land purchase legislation to facilitate the sale of Irish holdings to tenants. The late Baron was as ardent a Conservative as his son is a Nationalist.

The second Baron Ashbourne was educated at Dublin University and at Oxford. He is the author of "The Abbe de Lamennais and the Liberal Catholic Movement in France," and a frequent contributor to magazines and reviews on Irish affairs.

The fourth Earl of Craven, who married Cornelia, daughter of the late Bradley Martin, the American capitalist, was born forty-five years ago today, Dec. 16, 1868, and succeeded his father in the earldom thirty years ago. The Earl and his American wife are leaders in English society and the former was recently given the honorary office of Lord Lieutenant of the County Warwick. Cootube Abbey, the ancestral mansion at Coventry, contains many rare art treasures, including the collection of the late Queen Elizabeth of Bohemia. The ancestors of the Earl have been barons since 1565. The earldom was created in 1801, and the first Earl was also made Viscount Uffington, a title since borne by the heirs to the earldom.

Prof. Edward Emerson Barnard, who discovered the fifth satellite of Jupiter and nearly a score of comets, was born in Nashville, Tenn., fifty-six years ago today. From his boyhood he was interested in the study of astronomy. He was the astronomer of the Vanderbilt University Observatory while still an undergraduate at that southern institution. In 1897 he became astronomer at Lick Observatory, in California, remaining there until 1898, when he went to Yerkes Observatory at Williams Bay, Wis. His discovery of the Jupiter satellite in 1902 gave him a world-wide fame among astronomers, and he was honored with the gold medals of the French Academy of Sciences and the Royal Astronomical Society of Great Britain, while degrees were conferred upon him by the University of the Pacific, Queen's University and other educational institutions.

Watch Carefully the Child's Diet

Start Them Off Right With a Good
Laxative and Then Watch
Their Food.

Mothers are often unconsciously very careless about the diet of their children, forcing all to eat the same foods. The fact is that all foods do not agree alike with different persons. Hence, avoid what seems to constipate the child or to give it indigestion, and urge it to take more of what is quickly digested.

If the child shows a tendency to constipation it should immediately be given a mild laxative to help the bowels. By this is not meant a physic or purgative, for these should never be given to children, nor anything like salts, pills, etc. What the child requires is simply a small dose of the gentlest of medicines, such as Dr. Caldwell's Syrup Pepsin, which, in the opinion of thousands of watchful mothers, is the ideal remedy for any child showing a tendency to constipation. So many things can happen to a constipated child that care is necessary. Colds, piles, headaches, sleeplessness, and many other annoyances that children should not have can usually be traced to constipation.

Many of America's foremost families are never without Syrup Pepsin, because one can never tell when some member of the family may need it, and all can use it. Thousands endorse it, among them Mrs. M. E. Patten, Valley Junction, Iowa.

RALPH M. PATTEN.

who is never without it in the house. Mrs. Patten says that Syrup Pepsin has done wonders for her boy Ralph, who was constipated from birth but is now doing fine. Naturally she is enthusiastic about it and wants other mothers to use it. Dr. Caldwell's Syrup Pepsin is sold by druggists at fifty cents and one dollar a bottle, the latter size being bought by those who already know its value, and it contains proportionately more.

Everyone likes Syrup Pepsin as it is very pleasant to the taste. It is also mild and non-gripping and free from injurious ingredients.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

CITY COUNCIL'S LAST SESSION WAS BRIEF ONE

A scant fifteen minutes was all that was required by the retiring city council to close up the business of a two years' term Monday night. Unless Mayor Swartz sees fit to call the council for an "extra session" there will be no more meetings of the present body.

All the members of council were present, though Clerk Franklin was not. Councilman Phil Baker was by unanimous choice, named clerk pro tem and he asked Service Director McCarthy, former clerk, to act in that capacity.

Mayor-elect R. C. Bigbee, City Treasurer Frye, and every one of the new councilmen-elect except Dr. C. F. Legge, were present and upon the invitation of President Russell occupied seats within the hall.

Mayor Swartz in a communication to council reported that the legal advertising fund in his department was exhausted and asked for a transfer.

Mayor-elect Bigbee's bond for \$2000 was presented to council for approval. It was a personal bond and bore the signatures of J. W. Tutledge, S. H. Orr and Wm. H. Mild besides that of Mr. Bigbee. The council approved the bond by a unanimous vote.

Two ordinances by Councilman Muenz and one by Councilman Prior to transfer a total of \$2057 in the various departments, to close up the year's business were passed under suspended rules. Another ordinance by Mr. Prior, authorizing the service director to enter into contract for 200 tons of cast iron pipe and specials and a quantity of materials was passed under suspended rules.

Councilman Payne's ordinance increasing the salary of the service director from \$1500 to \$2100 was read for the second time.

Councilman Dayton offered a resolution authorizing the service director to enter into contract for the paving of North street for a sum not to exceed \$9900. The resolution was adopted under suspended rules.

This Home-Made Cough Syrup Will Surprise You

Costs Little, but there is Nothing Better at any Price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.50.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, and add the Sugar Syrup. This keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is slightly laxative, which helps end a cough.

You probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic croup and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in gualacal and other natural healing pine elements. Other preparations will not work in this combination.

The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

ASSOCIATION OF BEGGARS IS THE LATEST NOVELTY

(ASSOCIATED PRESS TELEGRAM)
Chicago, Dec. 16.—This city is the headquarters of the national association of beggars, according to officials of the police department. Lieut. James V. Larkin of the detective bureau last night announced that the organization maintains a school in one of the poorer neighborhoods of the west side where recruits are taught tricks of trade.

The Gay Cats is the official name of the organization, say the police. Although headquarters are in Chicago, "camps" are said to be maintained in other large cities of the country. Methods of deception are part of the curriculum of the training school, according to the police. Recruits are taught how to "make up" as cripples and invalids. They are shown the use of acids in making healthy hands and arms appear scalded.

Father and Son Movement Started at Cleveland, Ohio

(ASSOCIATED PRESS TELEGRAM)
Cleveland, Dec. 16.—A "father and son" movement is to be inaugurated here soon. The object is to promote a closer understanding and a spirit of comradeship between fathers and their sons.

Robert E. Lewis, secretary of the Cleveland Y. M. C. A. will issue a call some time this week for a meeting at which plans for the movement will be arranged. He will have the assistance of Mayor Newton D. Baker and other leading citizens.

The first step probably will be to hold a banquet to which fathers and their sons will be invited to meet other fathers and their sons.

The various aims of the movement are:

To help fathers and sons to understand each other.

To interest fathers in the outside influences their sons meet so that they can help them to avoid evils.

To break down the barriers that often exist between fathers and sons.

To make fathers understand they must go outside the home to best bring their ideas to bear upon their boys.

Mrs. Buffum, Indicted for Poisoning Husband

Buffalo, Dec. 16.—Mrs. Willis Buffum has been indicted on the charge of poisoning her husband, who died recently under such circumstances that the police made an investigation. He is believed to have been given arsenic in a horse liniment mixed with his food for several days.

The police are also investigating the death of one of Mrs. Buffum's children and the sickness of several others. When she was arrested she was taken to the bedside of a dying daughter, and if she had tried to kill the child she had evidently regretted it, for she broke down.

The motive in the poisoning of the husband, the police believe, was the woman's love for the brother of her sister-in-law, a man of twenty-five years. Mrs. Buffum is thirty-eight.

TORTURED BY UGLY ITCHING ERUPTION

Doctor Recommended Resinol. Half of a 50c Jar Cured It.

Baltimore, Md., Nov. 5, 1912.—"My little daughter was taken with a very small spot on the back of her hand. It grew larger and caused her more trouble. When she would scratch it, it would bleed and get very ugly looking, so I doctored it myself for about a year, and at last it broke out on both knees, and when she would go to bed she would scratch, and was so tortured and suffered so from the itching, that I took her to our doctor, who recommended Resinol Soap and Resinol Ointment.

"I sent for samples and after the first application the itching and inflammation was improved, and I kept it up night and morning, and by the time the sample was gone she complained very little, so I got a fifty-cent jar, and before that was half gone the trouble had entirely disappeared." (Signed) Mrs. Maude Schmechel, 2737 Presbury Street.

Resinol is speedily effective for itching, burning eruptions, pimples, dandruff, burns, old sores and piles. Sold by all druggists. For free samples write to Dept. 15-M, Resinol Chem. Co., Baltimore, Md.

FIFTH ANNUAL PRESENTATION OF "MESSIAH"

Engwerson Choral Society Directed By Karl Eschmann—News of the College Town.

Granville, Dec. 16. The fifth annual presentation of the "Messiah" was given Sunday in the Baptist church before a large audience. The affair was a complete success in every way and the Engwerson Choral Society is to be complimented very highly. The work of Karl Eschmann, deserves special mention. His marvelous directing of the large chorus was wonderful and the greater share of credit for the success of the affair is due to his untiring efforts. His talent and ability are well known by Granville people but never before has he displayed his musical qualities so favorably or forcibly. It is hoped that he will continue his work in the Conservatory with as much credit as he has accomplished in the short time he has been here.

Mrs. Elizabeth Thompson Wilson, who was formerly the head of the voice department of Denison, sang several excellent contralto solos, which gave evidence of her old ability as a singer while at Denison. Miss Marion Rose sang the soprano solos very effectively. Miss Rose sang in last year's concert very favorably, but her work this year was even better. The tenor solos were very well rendered by Russell H. Williams, whose ability in this line is well known to Granville and Newark people. He sang with a deep interest in his parts and his voice was very clear.

The work of the large chorus was most excellent. It was composed of the Denison and Shephardson Glee clubs, which were assisted by a number of voice students. Mr. Ellis Legler of Dayton, who was supposed to take the bass parts, failed to arrive for some reason or other. Mr. Legler is an artist of note and his presence would have added somewhat to the success of the affair.

The expenses of presenting the Oratorio were defrayed by the collection of an offering at the door from those who wished to contribute.

Another Denison man has broken into prominence again. Although he has received many honors in the past, his latest achievement is considered worthy of extra mention. Dr. Frank Carney, professor in geology of Denison, has been chosen to present a paper at the meeting of the Tenth International Congress on Geography, which will be held in Italy. The paper is to illustrate the method of teaching geography in the United States. Each country at this meeting has one man present an article concerning that country and Dr. Carney was nominated for this distinction by Prof. W. M. Davis of Harvard. A. A. Jones, acting secretary of the department of the interior, favored Dr. Carney by selecting him for this duty.

Prof. C. D. Coons represented Denison at a meeting of Ohio Conference Coaches and Managers, which was held Saturday in the Chittenden Hotel at Columbus for the purpose of interpreting clearly the basketball rules. The Travelers club held a very interesting meeting in the parlors of the Baptist church Monday afternoon. An excellent program of three papers was presented. "Temperament House Reform" was very pointedly discussed by Miss Anna Reed, who related some of the existing conditions and mentioned some possible remedies. "Where Nature Heals" was the second article, which was read by Mrs. Towridge. The difficult topic of "Eugenics" was the final paper, and it was read by Mrs. Gilmore. This subject is a live one at present, and is much debated at present all over the world. After the conclusion of this paper, mention was made of an article which appeared in the Columbus Dispatch last Friday concerning the ringing of bells on Christmas. The article was written by Mrs. C. E. Goodell and it was voted by those present to uphold her idea. The custom would undoubtedly add much to the beauty of Christmas and should be given worthy consideration as nothing could be more beautiful than the clear, ringing tones of a number of bells sounding in unison through the cool, brisk air of a genuine Christmas day.

Invitations were issued yesterday to the marriage of Margaret McKelton, which will occur on the twenty-sixth of December. The Fortnightly club will hold its regular bi-weekly meeting on the 17th. A sign artist of accomplished talent has greatly improved the appearance of a number of the buildings of Granville in the last week by decorating them with some very attractive signs.

The King's Daughters held an enthusiastic meeting last evening in the home of Mrs. Shollmer, Broadway. Mrs. Pond and Mrs. E. Davis acted as assistant hostesses.

After the opening exercises a very entertaining program of reading, recitations and music was presented.

BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Hair Remedy," you will get a large bottle of this famous old recipe for about 50 cents.

Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy. NEW BETHEL

Rev. H. J. Duckworth of Mt. Sterling, assisted by Rev. C. T. Payne of Forest, O., have been conducting a series of several services at New Bethel for the past two weeks. This is the boyhood home of Rev. Mr. Payne, who has many friends and relatives who were glad to welcome him among us.

Mrs. Mary Clouse of Sunbury spent the past week with her brother, Mr. and Mrs. Eli Downing and attended revival meetings.

Mr. and Mrs. L. A. Linnabary and family of Vans Valley spent Sunday with Mr. and Mrs. S. A. Grandstaff.

Miss Mina Linnabary of Vans Valley is the guest of her cousin, Miss Letha Grandstaff.

Rev. Charles Payne of Forest and Mr. Truman Grandstaff spent Saturday with Mr. and Mrs. Lawrence Payne at Croton.

Miss Pauline Glaze of Sunbury spent from Friday until Monday with her parents, Mr. and Mrs. W. S. Glaze and attended revival services at this place.

Miss Lulu Clouse spent Thursday afternoon with Mrs. Fred Glaze. Little Kenneth Higgins, son of Mr. and Mrs. Lou Higgins had the misfortune Thursday to get his right arm broken. Dr. Pettet of Croton was called and set the arm. He is getting along as well as could be expected.

Mr. and Mrs. E. M. Linnabary and daughter Freeda and grand daughter, Little Aubrey Downing and Rev. C. T. Payne were Sunday guests of Mr. and Mrs. Eli Downing.

Mrs. and Mrs. Eliza Debolt, Mr. and Mrs. W. S. Glaze and daughter Pauline and Mr. Orville Skinner of Columbus spent Sunday with Mr. and Mrs. Fred Glaze.

Mrs. J. W. Grandstaff and Mrs. Mary Clouse of Sunbury and the Revs. H. J. Duckworth and Charles Payne spent Thursday with Mr. and Mrs. J. M. Welch.

LICKING.

Mr. and Mrs. Samuel Taylor, Mr. and Mrs. Oscar Taylor and son Paul attended the twentieth wedding anniversary of Mr. and Mrs. George Taylor in Hebron last Sunday.

Rev. Mr. McCall and Wilson, Mr. Charles Ruffner and family ate Sunday dinner with Mr. and Mrs. Howard Ford.

Mr. and Mrs. William Lawyer and daughter Esther of Hebron spent Sunday after church at the J. R. Black home.

Mr. B. F. Haynes spent a part of last week with Granville friends.

Mr. and Mrs. Oliver Mercer were in Hebron last Sunday afternoon visiting relatives.

Mr. Bernard Ruffner left last Friday for Cleveland, probably to be gone all winter, should he take up the work he is planning. He will be greatly missed by the Young people, as he was president of the L. T. C. club.

Revs. Mr. Wilson and McCall spent Sunday night and Monday at the home of Mr. Sam Taylor.

Dr. Perry Winters of Toledo spent last Tuesday afternoon with Licking friends. He was a resident of this vicinity in his boyhood.

We are having a good attendance at the meetings of which Rev. Mr. McCall and Rev. Mr. Wilson of Athens county are in charge. Meeting every night this week up to Friday night. Everybody invited. Also meeting Wednesday morning.

The Ladies Circle met with Mrs. Sherman last Thursday with so small an attendance we were not able to have the regular order of exercises. We hope the members of this society will feel the need of being present. Just a few cannot do the work alone.

Miss Mary Harter of Johnston, who has been quite sick at the home of her brother, Mr. Charles Harter, near this place, returned to her home last Saturday evening.

IF YOU ARE WEAK AND "RUN-DOWN"

Common sense demands that the first thing to be done is to put both your nerves and blood into a healthy condition. Your nerves direct the work of your various organs and the blood feeds them. Unless both nerves and blood are in health, you can't be well. Common sense also demands that the medicine you take serve both the above purposes—both tones and strengthens the nerves and nourishes the blood.

Such a medicine is Rexall Olive Oil Emulsion, the ideal nerve and blood and body builder. It is a real nerve food tonic—not an alcoholic beverage, as many so-called "tonics" are. Rexall Olive Oil Emulsion does not contain a drop of alcohol, nor any dangerous or habit-forming drug. It puts new life and health and strength into rundown systems, because every ingredient in it is put in for that purpose, and not to merely stimulate. Unlike alcoholic "medicines," it does not show its effects in a renewed liveliness immediately after taking a dose. The effects begin to be felt in a few days, however, and they last, because the whole system has been strengthened and health is being renewed. If this is not your experience, we want you to come back for your money.

You who are weak and run-down, and you who are apparently well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. You'll be as enthusiastic about it as we are when you have noted its pleasant taste, its strengthening, invigorating, building-up, disease-preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain. Frank D. Hall, 14 North Side Square, Newark, O.

FIFTEEN DEATHS ARE CLAIMED BY BASEBALL GAMES

ASSOCIATED PRESS TELEGRAM

Chicago, Dec. 16.—Fifteen deaths contributed the toll in baseball games during the 1913 season, according to figures compiled and published here Monday. The report shows that the greatest death toll was in Chicago where three persons were killed by pitched balls.

Two of the victims were killed by being hit in the head by the ball direct from the hands of the pitcher. Four tips were responsible for the other three deaths. The report points out that all of the players killed were unskilled in the game and none of the major league players received fatal injuries.

An honest confession is good for the soul, but the shoemaker requires more than that.

One way to prevent prisoners from breaking out might be to vaccinate them.

LICKING PIONEERS ARE CELEBRATING THEIR BIRTHDAYS

Ell Hull today is celebrating the eighty-fifth anniversary of his birth. Born in Hopewell township he has lived in Licking county all his life with the exception of two years. He is enjoying good health and is as spry and active as a man of sixty. When a boy of ten he frequently came to Newark to do the family trading, bringing with him eggs and butter, receiving four cents a dozen for the former, two in trade and two in cash, and six and a fourth cents a pound for the butter. Mr. Hull bids fair to live for many years and he predicts himself that he will reach the century mark before he is gathered to his fathers.

Another of the pioneer citizens of Licking is also celebrating his natal anniversary today, Squire Alfred Dumm, who has reached his eighty-third milestone. The genial Squire is as chipper as a youngster and has many years of usefulness before him. He works on the farm until winter, doing whatever work is necessary and can go out before breakfast with a gun and topple over a jack rabbit with ease, his eyesight being remarkable. He is a great reader, a Jeffersonian Democrat of the first water and can always be found ready and willing to assist his party at any time his services may be in demand. He is enjoying excellent health and can outwalk many men of half his age. Mr. Dumm is the father of County Commissioner Frank Dumm.

"Mulvaney is Dead—I Think," Said Rudyard Kipling to Irvin Cobb

Mulvaney is dead—Mulvaney, Kipling's greatest hero, loved where English and French and German and many other languages are read. Kipling himself is authority for it. There will be no more tales of Mulvaney, for Kipling, his creator, has outgrown him.

Irvin Cobb, whose fame is spreading so fast that he is being read by almost as many persons in the United States as read Kipling, was in London recently. He received an invitation to visit Kipling in his rural retreat. He was anxious to know what had become of Mulvaney, and this is the way he found out:

"Mr. Kipling, there are many of the great characters in fiction so rounded out and complete—like Huckleberry Finn, for instance, or Henry Esmond—that no one thinks of meeting them again. But there is one that I believe we all would like to hear from, and I want to ask you—where is Mulvaney?"

"To the best of my knowledge—the best of my memory, I might say, Mulvaney is dead," replied the author. "The last mental picture I had of him was on the edge of a cut in India, where he was directing a gang of coolies building a railroad extension. There is no doubt that he was a bit seedy and down-at-heel. So I am sure that if he has not already passed away, he soon will, and Dinah Shadd will bury him."

"No, he cannot come back," he went on, after a few seconds' pause. "It won't do, you know. A character is born in your thought, and grows and is developed, and takes on virtues and vices, and becomes old, and then—well, just fades away, I take it."

"And that is the way with Mulvaney. I couldn't revive him—I would then again. But there is one that I believe we all would like to hear from, and I want to ask you—where is Mulvaney?"

"No, he cannot come back," he went on, after a few seconds' pause. "It won't do, you know. A character is born in your thought, and grows and is developed, and takes on virtues and vices, and becomes old, and then—well, just fades away, I take it."

Ohio Happenings

Lima, Dec. 16.—Frightened after they had blown the outer doors of the safe at the Pennsylvania station in Middlepoint, near here, this morning, yeggmen escaped in a rig stolen from John Foster. Nothing in the way of valuables was taken.

Chardon, Dec. 16.—For the first time in its history, women are to be invited to the banquet of the Geauga County Democratic club to be held here January 10. Smoking will also be barred. Attorney General T. S. Hogan will be the principal speaker.

Hamilton, Dec. 16.—The mattress factory of the Frank Schantz company was destroyed by fire early today. The fire was discovered in the southeast corner of the building and swept through its entire length, causing a loss of about \$22,000, partly covered by insurance. This is the third fire loss the company sustained in less than four months.

Mansfield, Dec. 16.—Addison Hagerman, 31, carpenter, shot yesterday by Charles Helman, farmer, died at the hospital here today. Helman killed himself immediately after shooting Hagerman. The deed is ascribed to temporary insanity brought on by domestic difficulties. Hagerman was working at the Helman home at the time of the shooting.

Sandusky, Dec. 16.—George Seebach, former policeman and erstwhile heavyweight prize fighter, was saved from probable drowning early this morning when his cries for help were heard by persons on shore and life savers rescued him from a rowboat, in which he was rapidly drifting out into the lake. Seebach was trying to row across the harbor when caught by the heavy wind and sea.

Columbus, Dec. 16.—For injuries she received while employed in the company's plant at King's Mills, Mrs. Lillian Whalen, a widow of Norwood, Cincinnati, was awarded \$8,500 damages against the Peters Catridge company by the court today. An explosion destroyed her right eye, impaired the left eye, caused the loss of two fingers on her right hand and injured her left hand.

Mt. Gilead, Dec. 16.—Two trainmen were seriously injured today when a Big Four train struck an open switch in a heavy fog west of here and plunged over an embankment. The injured, John Canavan, fireman, and L. H. Weges, engineer, both of Cleveland. Both were rushed to the Galion hospital. Several hundred yards of track was torn up when the train was derailed.

Chardon, Dec. 16.—Two boys were arrested here today charged with an attempt to wreck a passenger train on the B. and O. road here yesterday afternoon. The youngsters held are Charles Martin, 12, and Ralph Marx, 14. Section men found an angle iron and a brake beam on the track at South street crossing just before the passenger train was due.

Cincinnati, Dec. 16.—Wrooming, a suburb of this city, is holding a local option election today. There has been no saloon in the place for 41 years, but the Hamilton county liquor license committee has decided that it is entitled to four. It is to prevent the saloon men from gaining a foothold in the village that the local option election is being held.

FOUND DEAD IN HIS BARN BY SON-IN-LAW

Thorville Resident Had Succumbed to Attack of Heart Trouble—News Happenings.

Thorville, O., Dec. 16.—Lewis Winchester, aged 62 years, was found dead in his stable Saturday night about 11 o'clock by his son-in-law, Elton Miles, when he returned home and was in the act of putting his horse away for the night. Mr. Winchester had evidently gone to the stable at an early hour in the evening as his body was cold when found. He had recovered from a spell of sickness recently and was thought to be getting along satisfactorily. The funeral services will be held at the Lutheran church Tuesday morning and interment was made in the Lutheran cemetery. He leaves a family of seven children, his wife having preceded him to the spirit world several years ago.

Mr. James Sander of near Such Beach and Miss Corinne Huns of Somerset were married at New Lexington Saturday at the M. E. parsonage at that place.

Lewis Williams was a business visitor at Lancaster Saturday.

Mrs. Jacob Leckie died at her home near Zionsville Friday aged 77 years. The funeral was held from the Lutheran church Sunday, Rev. W. A. Wiley of Ashland officiating.

Jacob Leckie and daughter were Lancaster visitors Saturday.

Earl Rader and family have moved from the Chalfant farm to the Starkey property near Yost Station.

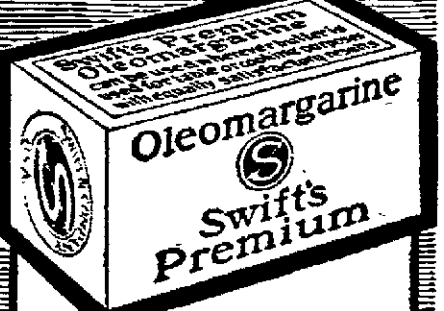

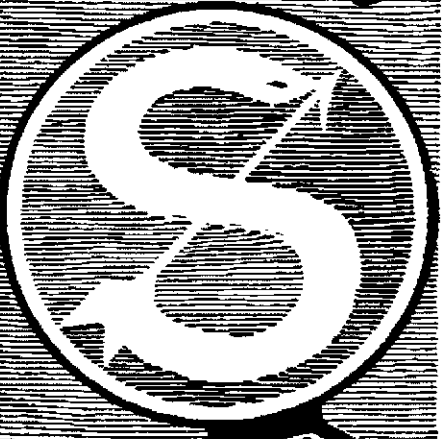

Oscar Anspach was operated on Monday night by Dr. Essington of Newark for appendicitis. Dr. Karl of New Salem and Dr. Lohman assisted. Mr. Anspach is getting along very well.

The Christian Union Sunday school at Drum's church gave their scholars a Christmas treat Sunday after the afternoon preaching services.

RUN DOWN BY OHIO ELECTRIC "TRIPPER" CAR

Charles Walters, age thirty-five, whose home is said to be in Altoona, Pa., was struck by the "tripper" car running between Buckeye lake and Hebron, about 5 o'clock Monday night and suffered injuries from which he died about midnight at the City hospital.

Walters was crossing the trestle between Hebron and the Lake when the car ran him down. His injuries consisted of a fractured leg, a scalp wound and an injury to his left side which probably caused internal complications from which he died.

Walters is a coal miner and is understood that he expected to go to work Tuesday morning for the Ohio Electric at the Hebron power house. Following the accident, the car which struck him, took him to Hebron where he was placed on board a Newark-bound express train. Arriving in Newark the injured man was hurried to the City hospital in the Bezier and Bradley ambulance, where Drs. Essington and Harbottle attended him.

Following his death the body was removed to the Bezier and Bradley morgue and prepared for burial. Arrangements for the funeral will not be made until word is received from his relatives.

PROPOSALS

(Continued from page one.) vote; that there shall be two delegates from each congressional district where the Republican vote is more than 40 per cent, and that each state having congressmen at large shall elect one delegate for each of such congressmen.

The percentages would be based on the election of 1908 and the territories would each have two delegates. The plan also proposes that the national committee should make up the temporary roll of each national convention but should be bound by a certificate from the secretary of state of any state provided that the national convention should be the final judge of the elections and qualifications of its members. His plan would provide 931 delegates instead of 1008.

The two resolutions finally were presented. The first specified that a special convention should be called for the purpose of taking such action as shall be deemed advisable in respect to changing the present basis of representation and for the transaction of all business that may properly come before such convention.

The second was in part as follows:

"Confident that the action of this committee, representing as it does, the practical unanimous sentiment of the Republican electors of the country will be ratified by the Republican electors of the nation, the national convention of the party when convened in 1916, and by state conventions of the party whenever held.

"Resolved, That it be the sense of this committee that the committee shall forthwith proceed to determine upon a basis of representation in future national conventions of the party and.

"Be it further resolved, that the committee pledge itself to issue a call for the convention to be convened in 1918 to nominate candidates in accordance with such basis of representation as shall be now determined upon by this committee."

Both resolutions provided recognition of the primary laws of various states, and agreed that certificates of election from proper state authorities should be sufficient ground for placing the name of a delegate on the temporary roll of the convention. The second resolution also recognizes the methods adopted in California and other states where all delegates are elected at large and only declares that the total number named in the roll must be chosen by any state which has such a law.

COURT DIRECTS ATTENTION TO BIBLE VERSE

Relationship of civil law to scriptural law was emphasized in Common Pleas court Tuesday by Judge Jewell in announcing his decision in a suit for \$15, when he caused Licking county barristers to pause and reflect on their knowledge of the Bible, and most particularly with reference to the sixteenth verse of the twentieth chapter of Exodus.

In reviewing certain testimony which reflected gravely on the veracity of one of the defendant's witnesses, the court suggested that the witness direct his attention to the verse and chapter mentioned. It appeared that comparatively few realized until later in the proceedings that the court had reference to one of the ten commandments; namely, Thou shalt not bear false witness against thy neighbor.

It was in the case of Robert Hugman vs. Minnie Wolfe. The court allowed \$10 for the plaintiff.

TWO MEMBERS OF SCHOOL BOARD TO RETIRE TONIGHT

Tonight will be the last meeting of the "old" board of education. In the session, Edward Kibler will occupy the chair of president for the last time. President Kibler and William Broome are the members who actually will retire from the board at this time, after having served faithfully for their entire terms.

William E. Miller's term expires with this meeting but as Mr. Miller was reelected he will begin his new term in January. The new member to take his seat at the next meeting is William C. Christian. Messrs. Miller and Christian are elected to serve four years.

The hold-over members, each having two years more to serve, are: Messrs. J. K. Dewey, S. W. Haight, and Dr. W. C. Rank. The new board will organize in the first January meeting.
